Focus on **online** or **offline** sales?

Which country is more profitable?

Strategic Insights

Product Focus:

- Continue investing in bikes - our clear revenue driver with 57% growth
- Investigate components decline immediately - lost \$2.2M in revenue
- Expand accessories and clothing beyond US market

Channel Strategy:

- Use online traffic to drive offline high-value purchases
- Increase online average order value through bundling and upselling

Market Expansion:

- Prioritize European markets - significant untapped potential
